MISTAKES IN THE RESULTS

Some mistakes were found in the results of BIU 2008 WBC ROUND 2 IN FRANCE. The third place in the Junior Merger Marius is disqualified from the competition because of his birth year. He was born in 1993 and he belongs to Minime, but the Juries of the event have accepted him to take part Junior with special condition as follows:

1. Accept the rider to take part the competition
2. The rider is disqualified from the WBC.
3. Give just the trophy in the case he got on the podium.

We found that his name is in the results as the third place in Junior. The BIU asked already to the French delegate to change the results of Junior, Nation, scratch that issued in La Tour De Scay, and the new results will be approved in the first jury meeting of The final round in Japan.

There were 2 mistakes in the entry list of French team as follows. We found these problem a day before Spanish round:

SENIOR (must be Junior)	BOUSQUET	Alexandre	FRANCE	1990	64087980
JUNIOR (must be Minime)	MERGER	Marius	FRANCE	1993	54130509

We will request to all delegates to check the entry list carefully for the next time before sending it to the BIU. And we better stop accepting exception like that. It will be a cause of mistake this time.
