

## BIU NEWS 2008 in September

### 2009 WBC

The BIU is proceeding to set event schedule for 2009 WBC with following countries and trying to finish the provisional calendar as soon as possible.

#### SPAIN:

Our Elite rider Raul Gutierrez is thinking to host 2009 WBC in his town. We will wait for the answer and the proposal from Marius Molla until 15/September.

#### CHINA:

The venue will be checked during BIU 2008 China Ping Tang World Biketrial Cup and Hiroshi Hirano will have a meeting with Jason Dou and the officer of the government after the event. The final determination will be on 25/September.

#### JAPAN:

\*As we informed in this news on 05/09 that we got the proposal from HOSHINO RESORT LTD. TOKYO OFFICE in Tokyo. The BIU is asking to the BJU to have the first meeting for the event with HOSHINO RESORT LTD. in Tokyo as soon as possible. But our schedule is tight and the meeting will be held after BIU 2008 China Ping Tang World Biketrial Cup. The date is still not set yet. We think that it will be between 29/September to 1/October.

\*About Seki-Itadori, We still not receive the proposal from the city. This is because they have to have a meeting in the end of September to decide. We asked Seki-Itadori to send any document as Seki-City before 15/September.

## MEETING FOR 2009 WBC IN JAPAN

We already received the proposal (above) for 2009 WBC from HOSHINO RESORT LTD. TOKYO OFFICE. And now the BIU is asking to the BJU to make a meeting for the event as soon as possible (before 2008 Ping Tang World Cup) in Tokyo.

The BIU has a plan to visit the venue to check in the late of October during their

town festival "SOBA MATSURI". The BIU is planning to make a demonstration to introduce Biketrial to the people there. And also make "observer school" to educate staff and make "riding school for kids" for the first time ever.

### **BIU 2008 CHINA PING TANG WORLD BIKETRIAL CUP**

The event will be held on 21/September in China as it was planed. This time, 34 best Chinese riders and some top Elite riders will take part the event. Unfortunately Dani Comas (2008 WBC Champion) will not take part because the date is crushed with EBU European Cup in the UK. Also Raul Gutierrez has work to do. But Kazuki Terai (the winner of 2008 WBC final round) and 2 Canadian riders, Jeff Anderson (4<sup>th</sup> place in 2008 WBMC and the 2007 Canada Champion) and John Webster (the winner of 2008 Whistler TRIALSWORX) will take part the event. Even though the Canadian riders are not international Elite but they are in very good level that we can guarantee it.

The delegate of China, Mr. Jason Dou is still trying to get some more international Elite riders from Europe and Asia, and also some good riders from Australia. Yesterday, Jason has decided to invite Yasutaka Shibata (2007 BIU Elite ranking No. 14) and now Jason is waiting for his answer. The event is just around the corner. So we have not much time before fix the entry. We are hoping the success of this event and hoping your support if possible.
