

BIU NEWS 2009 NOVEMBER

RULES

As we informed you about the rules matter in the beginning of November (refer to BIU News No.1 dated on 02/11/2009, and the later we also sent the information to all delegates by post). Yesterday was the deadline. We closed it and here we can inform you about the results. Up to now we received just a few opinions and there was no any contrary opinion for the matters of (1) CHAMPIONSHIP POINTS, (2) ENTRY FEE. (3) UNIFORM. Therefore we will start them from 2010. About (3) UNIFORM - SHIRT, PANTS, JACKET and HAT. To print the national flag of the country was added to the condition. It means the BNU logo and the national flag should be printed on all of them. To attend official ceremony (welcome, opening, awarding and closing), all riders and the staff should wear their team uniform.

Exception about (3) Uniform:

(1) In the case if the riders should start with in a few hours after the opening ceremony, they can wear their riding gears.
