Hi Hiroshi Hirano

I understand that you are the person to contact regarding bike trial Biu regulations and delegate. First I have to tell that I work 100% to get trial

grove here in Denmark, I am 100% trial guy that work to get the sport explode here. I am Mr. Trial of Denmark, the person people contact if they want to start the sport. The last year we have a lot of new riders, and a lot more to come. I have the last half year got 6-8 schools for young kids starting trial. Now other schools phone me, and ask to come and show the sport. The new trend in Denmark is to get young kids to do street sport instead of sitting in front of the computer. We have now contact to important people that see what trial do to the kids, and they love it :0) I have the last 20 years ridden MC-trial in high level, and have arranged a lot of trials on MC. To get the sport grove here, I put the 4 best riders together and signed them in for the Talent 09 TV show. This worked as planed, now a lot of kids start on bike trial bikes, and therefore we also have to make some competitions in the future. I am the person in Denmark who got all contact to the riders, so therefore it naturally that I got to be the delegate in Denmark. I am looking forward to hearing from you.

Ole Kristensen.

Med venlig hilsen/Best regards

## MAIL FROM LIBOR

We got a mail from Libor, EBU as follows.

Dear Hiro,

I would like to recapitulate our statement:

1) Request from Vincent Hermance:

After receiving e-mail from Jean-Luc is the situation clear for us and we hope that Jean – Luc will inform also so directly Vincent Hermance about his position. I am waiting for Jean-Luc answer in this matter. We will just accept instructions from French delegate as well as any other national delegate for any riders' nomination. That way should be VH issue finished for us.

2) Participation of the best world riders in EBU/BIU events:

For European Cup and for European BikeTrial Championship we accept participation of all riders who are either in BIU Elite list or who are nominated for Elite category by national delegate. It was agreed by EBU delegates and we have been running all European events according this rule. It works very well so far.

Opinion of EBU committee is that also World BikeTrial Championship should change nomination rules for Elite category. Arguments for this position were written in our previous e-mails. Our opinion is that the best world riders who have lost position in Elite will not mostly compete

**in Senior category again to get themselves on BIU Elite list. Our statement is that BIU delegates might consider this situation. It will not be easy with reference to last decisions in this matter (e.g. Mr. Rubio issue and other...) We are looking forward to the new 2010 season and ready to help all our organizers to get again a good and successful European and World 2010 Championships.**

**Best regards,  
Libor**
