Dear Anna,

I have received information from you that you are ceasing to work actively for BikeTrial as an E.B.U. Delegate. After the many years that you have given to it and that we have cooperated together, I am sorry, but of course I understand.

I would like to thank you for your beneficial and very active work for our sport. You brought up a lot of outstanding and high quality riders, who famously represented your country. During your international BikeTrial work you managed to organize a lot of great events - the most significant are for example: WBC 1995, World Cup 1996, WBC 1997, WBC 2000, EBC 2006, and European Cup 2008. You were real support for the European BikeTrial Union in Slovakia and I would like again to thank you very much for everything.

I wish you success in everything you plan to do and I look forward to meeting you at an event in Slovakia.

Best regards,

Libor Musil
President of the E. B. U.
