

BIU NEWS 2011 JUNE

RESPONCES FROM ITALY AND EBU

To the message from Germany, Italian BIU delegate and the EBU president sent us their opinions. Thanks a lot!

Hello Hiro,

hello to all,

FMI – BIU:

this is a very important question. BikeTrial Sport is very connected with Moto Trial and I like the Hiro when he say: "BikeTrial origin from Moto Trial". It is so. I hope is possible that BIU can try to walk on this way. This is one "particular" that can qualify BikeTrial in opposite to "Trials" that is "cyclistic specialties". This is a very good idea, perfectly coherent with BIU phylosophy.

Canada:

Thank for your job Mike, I hope in future you remain however very close to BikeTrial world. Welcome in BIU Family to Jeff.

Giuliano BikeTrial Italia.

Dear Hiro,

I am reading with interest message from Frank about FIM because I think it is a good way for our improvement in Europe. I spoke to Frank and Joerg last year that they should try to call motorcycling federation for possible cooperation in Germany. EBU committee agreed a time ago to set up an official contact with FIM because we have many countries where is BikeTrial affiliated with FIM. It is our plan to set up a official meeting with FIM headquarter by Genève. Please let me know if EBU can be helpful for BIU in this project.

Best regards,
Libor
