**FROM SWEDEN**

Dear Hiro and Libor

Last weekend was held for the first time national championships in all three types of trial in the same area at the same time in Sweden. The event called "TrippelTrial" had 32 competitors in Biketrial, 34 in MC and 17 in ATV. All categories had one lap on Saturday and one lap on Sunday. When the boys and girls not competed, they and their minders helped the others as observers. Unfortunate was it a very rainy weekend, almost like the wolds in Japan in -05. But we had no rain for a couple of hours in Saturday evening when all riders, minders and staff had a barbecue, and also some clear sky during the Biketrial comp. I'll attach the results from the biketrial comp.

See you soon

Yours

Roger

Ps. Pictures from the event will be available from tomorrow at [www.motorfoto.nu](http://www.motorfoto.nu).
