BIU SONICO MEETING

Dear Hiro,

about Sonico Meeting:

many delegate in Europe think that Sonico will be a very important moment of discussion about BIU future. I think one evening is not enough in this moment and I hope some other Delegate can contribute in discussion. The first thing that I ask you is to give us the possibility to insert new themes in the "Order of the Day" of discussion our proposal. If the discussion is not a discussion is not necessary open the meeting. If the discussion is not a discussion I don't feel necessity for me to participate. Can I send you my proposal for Meeting? What is the system for vote and approve the proposals?

Thank you very much,

Giuliano

Dear Giuliano,

Please do not rush. I just finish entry thing and now penalty formula should be perfect. I found some mistakes in Catalonia and Spain entry that they use their alphabet. In our rules, we should only use English alphabet for all names. I have to check and modify them but it takes much time now because I already made up 3 versions for each round.

ELECTION:

As I sent the information about our election. I will wait for the proposal

for the BIU president. The deadline is 15.July. we should wait till it closed. Normally we send the proposal to our general secretary. But I am not sure if Rafa or Josep take the post from Marius. I never get any mails from Rafa since he became the representative of BUE. So this time we have not much time to do and I have decided to receive it. It is a solution.

We will make election in Sonico on 3/August. In the beginning of the meeting.

SONICO MEETING:

The major items are in the below list. I will arrive on 31/July there in Sonico. So from 1/Agust, we can have pre-meeting for some hours in Sonico. That is better just one meeting on 3/Agust. You can send your proposals to me. But not too much please. We have limited time. We can discuss most thing by e-mails till decide in November.

Sincerely yours,

Hiro

Dear Hiro,

I don't want give you rush. Make your job with calm and with all time you need. You can reply my when you want. But the 4th of August for me will be a very important date. As you know this time is carrier of changing. Good times or bad times. Depend from us. This year we have more changing that in the last 20 years. During 2011 – 2012 one time like one month is the same that one year or 3 years in the past. I ask you to hear me because in 2012 we have 14 Nation in WBC but next years I think Maybe 8 or 9; and I think this numbers will be a success. We need change yesterday not tomorrow! We must change now. In Europe BIU lose pieces and interest every day. If BIU don't will accept 3 or 4 important news I think my feeling with this sport will be finished very soon. BIU is not a company this is true but organizer don't can organize a "World Championship" with 80/90 Riders (I think this number will be here very very soon ...). 3/4 important news for next BIU not over. But important.

Sincerely yours,

Giuliano

Dear Hiro,

please make a proposal of term we can meet in Sonico. I would suggest that delegates can meet on Friday morning to start General meeting and to begin a discussion. Conclusions can be made on Monday in the morning or Sunday in the evening. During competition most of our delegates are also team managers, and Jury members and they have to assist their teams. We have a lot of important BIU topics to deal with and I think we need more time and concentration and our delegates can understand it to come earlier and to leave latter. It is very important for BikeTrial future in my opinion.

Best regards,

Libor

Dear Giuliano,

It is nice to think about our sport organization. The situation around us is always changing and trying to find the solution is the best thing in any time. Providing joy of riding to the people makes our sport value higher and there will be no obstacles on our way to our goal. Let us have good meeting in Sponico.

Sincerely yours,

Hiro

Dear Libor,

I think the organizer is very busy on 3/August. We have section approval, inscription of riders, jury meeting, So I prefer to have Pre-meeting on 2/August to exchange opinions or make final agenda for what we will talk in Sonico meeting on 3/August. Then we can try to have enough time.

Sincerely yours,

Hiro

We are going to inform you the agenda as follows.

No.	ITEM	SITUATION
1	21 ELECTION OF BIU PRESIDENT	The term of candidacy for the BIU president is from 2/July to 15 July. Please send your proposal to BIU head office in Japan.
2	GENERAL SECRETARY	Since Enric Rubio left BIU, Marius Molla of BUE carried the post for BIU and worked for us. He resigned BUU and Rafa is the representative in BUE. But we are not sure who is taking GS post now.
2	CALENDAR 2013 WBC	Please bring your proposal to the meeting. Up to now we have no any proposal from delegate. The most possibility is Japan because I am involving this project. but it is not 100% sure now. Still needs the adjustment with people.
3	DISCUSSION ABOUT WBC THIS YEAR AND THE FUTURE	We should have this discussion to improve our WBC. For this, we should have the target and challenge. For example, how we increase participants and Nations for WBC?

4	DISCUSSION ABOUT RULES FOR THE NEXT YEAR AND THE FUTURE	We should not change penalty system. Just the other system concerning to organizing WBC from the next year.
5	OTHER THE ITEMS	In case we need.

SOFT WEAR

Daer Jean-Luc, Angel & Giuliano,

I am going to send you the soft wear of WBC. Check it please. Please use it for your event,

Sincerely yours,

Hiro

Thank you very much.

Giuliano

Dear Giuliano,

I found some wrong in the entry from Catalinia. They use spanish alphabet. We accept only English alphabet. So I will modify it tonight and send you tomorrow.

Sincerely yours,

Hiro

Ok,

I wait, have a good job.

Giuliano

Dear giuliano,

I will try.

Sincerely yours,

Hiro

Dear Hiro,

I ask you about "Bid Number". Rider must have the same Number in all 3 Round of WBC? If yes I suggest you to insert in the File the Bid Number for each Rider. In the File we don't see the Bid Number.

Sincerely yours,

Giuliano

Dear Giuliano,

In the rules, only elite has their own No.. The rest do not have it. If you want to put it I can. In the list, each rider has ENTRY NUMBER (please see the LIST 1, left side) from 1 to 208. This can be used for bibs. Another is we can put it from Pushing to Senior using the number from 50 to up. Because we should keep Elite numbers.

Sincerely yours,

Hiro

Ok.

All is clear.

Giuliano

Dear Jean-Luc, Angel and Giuliano,

I am going to send you the modified soft wear "BIU Penalty formula".

Please use it.

Sincerely yours,

Hiro

Administratio BAC BUE

Dear Angel,

BAC, already to cashed the amount of 500 € since more than a month, no problem. We can give you in the competition from Italy directly to you, or, in the first competition to sr. kakac?

Administration BAC BUE

Dear Angel,

No problem. Normally Japan and Spain is the countries made entry for Group E. But this time BJU is nor more and BCJ is still not ready for this.

Any way, in the first WBC, the jury should check how many brand paid the entry fee.

Sincerely yours,

Hiro

OK, remember MONTY it's from Catalonia..

Thank's

HIRO'S TRIP FOR WBC

Dear Hiro,

Firstly I would like to explain that It is impossible now to ask organizers to pay flight tickets. Organizers are very important for us. They did not have it in their budget and in this way I can damage BIU image. There is just one way for me to find a new sponsor who is able to pay it. EBU is able to do it now but we also want to speak with BIU delegates about it because there is a gap in WBC conditions – no money for Presidential work and expenses in the BIU budget. It has to be improve for the next seasons. Please accept that tickets are paid by EBU this moment.

Secondly I do not know where is the main reason for less number of riders and it has to be considered:

BIU/EBU organization is not too “sexy” for riders?

Economic situation globally?

Organizers work?

In my opinion this not problem for not coming it should be even signal for you

to come and finding a way how to improve it.

Thirdly If the main reason for not coming is in your private life than I mean everybody has to accept it (because it can be happened to everybody) and our delegates and committees have to take responsibility themselves in this moment. Problem is that we have got this information at last moment and to take your position is difficult. Then please reconsider it once more with your family. For BikeTrial is better you will be here. If not then decision about your substitute has to be made ASAP. I would like to propose to you to ask Marius Molla as very experienced organizer and manager to take this position in one of these events (probably in France). It will be a good substitute in your position. Giuliano is responsible for the last round in Italy and I do not want to bear him by another work. A good alternate is also Roger Bäckgren – one of our mostly experienced officials and very successful national delegate.

Best regards,

Libor

Dear Marius,

I am writing to you because I have a problem about attending R1 and R2 of WBC this year. Giuliano is not able to work for president in R1. I have no answer from Kakac for R2. It seems there is no any person who can help this matter now.

Libor suggested me to ask you to help. I know you are not in BUE or BAC. I agree that you have enough experience to take the part and lead everyone. I think the jury can be organized by other officials. Please let me know if you can take the part. There are not much time left for me before buying my flight ticket (limit is today 17:00).

Sincerely yours,

Hiro

Dear Hiro,

I'm sorry. I do not understand this situation. I do not feel the position of proxy president and lead juror. I have to worry about all Czech team. Please come to

all round as every year. I think the all organizers deserve your participation. I can't imagine that I will organized WBC and you would not come.

See you soon.

Best Regards

Radim

Radim,

I do not explain the situation here. You can check it on BIU news. Your help is very important. I will try to find the other people for the post. But please take WBC manager to check and help the events. Okay?

Sincerely yours,

Hiro
