

**BIU NEWS 2012 AUGUST  
2012 WBC**

**2012 WBC was over with great success in all events. Of course there are always some problems but we can promise you to make them better for the next time. Thanks to all people who corporate with us for the events and we hope you will take a rest for a while before forward yourself to the next thing. We are now checking the 2012 ranking because there were some mistakes in some classes and please wait for some days to finish it. About ELITE 2012, top 3 in the ranking will be promoted automatically to Elite in 2013 and the rest (4 to max 8) will be decided by BIU officials soon.**

**Dear all,**

**Congratulation for the success of World Biketrial Championship 2012 R1 Saix-France, R2 Igualada-Catalonia, R3 Sonico-Italy, all great. Everyone involved for the great events, great arena and spectators, all the champions and all the great riders from many countries!**

**Best regards,  
Yosnison Maretsa  
INDONESIA**

**Dear Josep and Hiro,**

**Finally arrived back home? Hiro, have you got a nice trip? I am very pleased with the 2012 WBC, except for number of riders and some organization details (as everyone could have seen).**

**Just a little question concerning scratch and rider Armand Molla. After considering his results and taking care of his own opinion, from his side he would like to ask BIU for a promotion to Elite in case BIU considers that he deserve the promotion. From my side, as father (he's still minor at this moment) I approve (with the knowledge of his mother as well) Armand's application taking in account his preparation, his performance and the challenge that it supposes.**

**Do not hesitate to contact for any question.**

**Sincerely yours,  
Màrius Mollà**

**Dear Giuliano,**

**Thanks a lot for your help while I was in Italy. I could back to my home**

the day before yesterday and fine.  
About Scratch ranking, it is not easy to remake. I found that the excel file work sheet has been modified to the other file that I have no support it. So I still cannot open and cannot finish remaking the final Scratch ranking. I request you one thing. Could you send me the all results of R3 and 2012 final ranking by scanned data from original results?

Sincerely yours,  
Hiro

Dear Hiro,

I am happy you are arrived without problem to your house. I hope that trip of return was good. I send you the file that I have and I ask to Mr. Fabio if can send you the excel file that we have. Maybe Excel file was saved in "Excel 2003" format (xlsf not xls). Maybe need open it with Office 2003 and save in XLS format. The old format of Excel. Fabio, can you send me files ? They are on your computer, thank you very much Fabio.

Sincerely yours,  
Giuliano

Dear Giuliano, Radim, Stefan, Marius, Josep,

I just finished checking 2012 ranking and I found some mistake in Group B and Group A and SCRATCH. So I checked all classes again and modified. I hope you checked them and if no problem, this will be the final official ranking.

Sincerely yours,  
Hiro

Dear jason

I came back to Japan yesterday. I placed some video with 2012 WBC ITALY in youtube. Please use it. There is the video of two players who participated from China.

10 85 ZHAO Xuan CHINA  
21 79 HUANG WuYu CHINA

Two players were not used to a game in nature, but I was surprised at

**the high technical level.**

**And attached the result list. I do not get the 2012BIU Annual\_ranking .  
Because there are some corrections, Hirano is to send it after a  
correction.**
