

BIU

SCRATCH

Dear Hiro, dear friends,

during the past week I am on work on the new BIU web site. This week I send to Hiro, Lukas, Scott and Jean the password to access and see the first version and help me to publish information and organize the web site. Today are past 2 week since the start of discussion about Elite category (Scratch promotion) and Technical Commission don't have send news, communication or decision. I think that is not possible waiting over this time. So I think the answer from TC is: Only the first 3 Riders. I would like remember to all member that Presidium consisting of:

Mr. Hiro, Giuliano, Lukas, Scott, Jean.

Best regards,

Giuliano

Dear Giuliano,

I and Jury have decided the top 3 from Scratch to be promoted to Elite on 5th August in the last meeting in Sonico. And we promised the rest should be decided the later.

As you wrote that if this matter should be decide by TC only, why you put presidium and my name? And how come you can close the matter like that? TC even does not start the discussion yet. Is it right? What will be No. 4 and No. 8? They are waiting for the answer.

Sincerely yours,

Hiro

Dear Jason,

I send you copy of BIU Statute. You can see the Article 11:

“The BIU Technical Group will decide the number of the riders who can be accepted into the category Elite after the end of the World Championship. 3 as the minimum and 8 as the maximum from the Scratch (Junior + Senior) ranking will be promoted to the category Elite. [...]”

We waiting the decision of Technical Group. I hope they arrive to decide very soon. I repeat: my opinion is that Zhao is good for Elite. But I am not in Technical Commission. Sorry.

Dear Jason,

today I received a gift from China: Ms. Yuan Yuan send me two box of green tea. I am very happy!

I will drink like your instruction.

Best regards,

Giuliano

Dear friends,

besides the discussion about Elite 2013 there are few more topics to talk about. Im not sure if I missed something important. Excuse me if Im wrong in something.

1) PRESIDIU

After WBC in Sonico the structure of BIU changed according to BIU statute. We got some new work positions in this new structure and I believe we all want to work for BIU. BIU statute says that there are these positions: Vice-president, Organisation director, Technical Commission, Riders delegate. Im sorry for stupid question: Who is going to distribute the work and competences to Presidium members? Is it the Presidium members themselves? If yes, then we should also talk about who makes

what work. We shall determine what Vice president's job is..., Organisation director's job is..., Technical Commission, Riders delegate etc... Then we can start to work more effectively. I'll be happy to collect your opinions and build the working scheme of the Presidium. Let me know your thoughts.

2) GENERAL SECRETARY

The document "Minutes of Biketrial International Union (BIU) Annual General Assembly" from Sonico says this: "New General Secretary will be voted by new Presidium as soon as possible." It is almost four weeks and nothing happened. Giuliano already said that he candidates for this position. Im very happy for this. He is the one who is doing the most of work now. On August 13th I already voted for Giuliano. I would like to ask other Presidium members to tell their opinion about General Secretary. Is there any other candidate?

3) ELITE 2013

Quite hard topic. Let's make it simple please. The technical comission should make a decision. I believe that it is not so difficult. Top 3 riders goes to Elite automaticly. Important thing is if the riders from 4-8 "want" to ride in Elite and if they send a "request" to be promoted. Then the Technical comission makes a decision. It would be nice to announce Elite 2013 at new BIU website. It would be nice opening. That's all from my side. Elite 2013 determination is not in my competence.

4) WBC 2013

Im happy to see that there are some candidates. Im looking forward for more news about this.

5) PRESIDUM MEETING

On September 22nd there will be final round of European Biketrial Cup in Znojmo (CZE). I think this is very good opportunity to meet Presidium members and talk about the future. I will be very happy if we can meet there. Are you coming Giuliano? Jean? Radim? Stefan? and Scott?

Im looking forward to hear your thoughts.

Thanks for your time!

Lukas

Dear Lukas,

About Elite, "if they send a "request" to be promoted" is only the opinion of Giuliano. This is not in the rules. We never took the way. We only accept "request" to be demoted from Elite. We have been decided the numbers of Elite from Scratch by discussion in the final jury meeting with the delegates concerning to the WBC in that year.

Sincerely yours,

Hiro

Dear Hiro, dear Giuliano,

After the last news I had seen, I am a little bit surprised about the discussion of this matter. Mine is a difficult position because I had been involved in the BIU board of management and I am also the father of 4th classified in scratch.

I just beg you to submit to the competent board the decision of the promotion following the rules: between 3 and 8 scratch riders can be promoted for 2013 Elite category. The board has just to consider how many scratch top riders are prepared. After that, the board can also consider any request of demotion (in case the rider feels not prepared or any other valid reason). Why not?

It had been usually an easy matter and I do not understand why it is not right now.

Sincerely yours,

Màrius Mollà
