

## BIU NEWS 2012 SEPTEMBER SWEDISH CHAMPIONSHIP

It must be a good competition for all participants of the event. Success! Hope you will check the results & photos on the site in the mail below. Thanks a lot Roger.

Dear Hiro and Libor

Today was held the fourth round of the Swedish Championships. Once again the weather was against us, nice weather on Friday and Saturday and massiv rain for most of the competition day. We had some guests for this one, Scott Wilson and James Sheridan came from the UK and Aurelien Narses is a French rider who studies in Sweden. It became a real hard comp because of the slippery surface but the riders smiled anyway. I attach the results and 686 pictures from today are available at

### SCRATCH FOR ELITE

Dear Màrius Mollà

Please stop any surprising.....etc. I just support Armand MOLLÀ GARCIA to be Elite 2013. I just want to meet you again next year with full biketrial spirit as below.

<http://www.xbreaker.com/ArticleShow.asp?ArticleID=2466>

What BIU need to do is clean out anything not belong to BIU. I would like to tell you 1 Euro could buy 3 Coca Cola at present time. And I would like to ask your advice how about this accommodation for a father and son in WBC as the picture. And I hope you will support BIU and Biketrial Sports though you are not delegate of BIU.

Best Regards  
Jason

BIU and BikeTrial support forever, Jason! 😊

The accommodation you show me in the picture is perfectly correct, no doubt!

Best regards!  
Màrius Mollà

Dear friends,

Since the elections of SONICO, I read with a very deep interest the diverse exchanges, in particular those between Hiro and Giuliano. I notice that the starting up is a little laborious but doubtless it is because of this new organization...!!! I thus hope, for benefaction in the BikeTrial that you will quickly find common grounds necessary to assure the sustainability of our sport. For my part, I remain a spectator attentive to what will be decided. After the success of our round, I make follow the " BIU NEWS " and I began a consultation in the direction of french clubs to know their positioning for 2013 face to face of the BIU. If I can again help, this is possible, as far as my decision to prolong like delegate is not still totally arrested... While waiting for good luck in all and good work calmly.

Jean-Luc

Dear Marius,

this discussion of this matter is very simple. But we have spend a lot of time

(I think you have only the 20% of communication) about it. This is the situation:

In Sonico we have vote new BIU council (presidium) and decide to follow the statute. The article 11 of statute says that promotion of Elite is from Technical Commission (Fabregas, Kakac, Pcola). Only the Technical Commission can decide how many rider promote in Elite 2013. Minimum 3, maximum 8. Today we wait TC. I've write a lot of email to Jean Fabregas, Radim and Stefan to push on this question but ... no answer.

I am very disappointed with Jean, Radim and Stefan. But we must wait them.

My opinion (but I am not in Technical Commission):

To be promoted in Elite need 2 things:

- 1) Be one of the 8 first rider in Scratch.
- 2) Make request of promotion to BIU (if Rider is not in the 3 first position).

Without request is not possible promote (Armand have request from Josep). For me it's not important the position; need this 2 parameters. Today we have 2 request to go in Elite: Armand Molla and Zhao Xuan. For me (but my opinion in this case is not important because I am not in TC) is that this 2 Rider are able to compete in Elite 2013.

Why wait Jean.

Try to push on he.

JF have a problem with English and maybe with computer. However he email is: [casamonty@orange.fr](mailto:casamonty@orange.fr)

Have a good day,

**Giuliano**

Dear Giuliano,

I have spoken on the phone five minutes with Jean, first of all to check that his e-mail is correct and he is checking it, and, secondly, to ask him to answer any open question if possible. So, the e-mail is correct: [casamonty@orange.fr](mailto:casamonty@orange.fr) and he usually checks it, except recently because he was on holidays. He will check ASAP any remaining issue (including ranking subject). In case you need his phone numbers, please, just let me know.

Best regards,  
Màrius Mollà

Dear Marius,

thank you very much. We wait answer from Technical Commission.

Best regards,  
Giuliano

Dear Giuliano,

Take the time and do not have to hurry to close it for this time. If the riders from top 4 to top 8 should write their requests to TC to be Elite (I do not know this rules, where is it written?), at least you should tell it to those riders trough the delegates before closing the Scratch matter. I think no

**body knows about it. See mail I got below.**

**Sincerely yours,  
Hiro**

**Hiro**

**hope You are doing OK. I spoke with our pilot Ansis Dermaks (Junior),  
scratch 2012 5th position. He showed high motivation move to Elite for 2013.  
Please consider this when decision about riders moved to Elite is made.**
