

Dear Biketrial friends,

Below are the mails from some people and my comments.

Dear President, Presidium, and all biketrial friends,

Positive discussions I think, considering many things. We hope one by one will be solved well, I'll follow the progress. Lukas asked about Weng An round and Hiro said it's the only decided. So, is it fine now to tell it to the riders here?

Sincerely yours,
Yosnison Maretsa

HIRO'S COMMENT:

You can tell what is going on about WBC calendar for the next year to your committee. But not riders yet. Because people might put the news on their HP. To avoid confusion when we have to change it later, please wait till at least we make the official provisional calendar. Thank!

Dear Hiro,

if you could tell me your vote, you could send information to China as a decision of BIU Presidium. Your vote is missing. Then we can talk about China as a decision of Presidium, not only one man. The schedule is delayed because people are not answering for important questions.

It was very simple question. YES or NO.
Do you agree that WBC 2013 Round 3 will be held in Weng An, China on August 24-25th 2013?

Let's make a vote please. It is formal act. Then we can move to the question of Igualada. I think we can finish complete calendar in one week if Presidium members answer about vote. Could you also show us the "agreement" you want to sign with China? Im not sure if BIU agreement as you used it before is legally correct. Im affraid it could cause serious legal problems in the future.

Thank you!
Lukas

HIRO'S COMMENT:

The agreement with China is the last moment to finish. Jason will have the meeting with Weng An city a week later. Now he is waiting for the original document on the way by express mail. Delay of finishing agreement may cause to be a big problem for 2013 WBC in China.

The agreement has been used for many WBC events without problem. Why it will be serious problems? If it should be checked by the presidium, it should be done much before when we had enough time. Now better not change anything at the last moment. It is better to check and modify for 2014 if it really necessary.

In Sonico, I explained the process and work for the calendar matter and what we have decided is extending the deadline only for one and half month (till 31/October). Nothing else. No body told about checking the agreement by the presidium. However It could be checked before instead of left it till today. Up to now there is no any words for the date schedule of China round from Presidium and delegates. Why the vote is necessary now?

If you strongly propose to do it, firstly you can make the vote to do vote or not vote please. In case the presidium needs the vote and if it takes the time, I cannot take the responsibility for this matter any more. I will ask you to forward it together with the presidium except me. You can decide it now.

Dear Jason,

I sent out the documents by post.

Dear Biketrial friends,

Below are the mails from some people and my comments.

Dear Yosnison,

our web site www.biketrialinternational.com is already "under construction". In the last days I am on work to finish "BTA" our "BikeTrial Administrator Software" that run in back site. BTA is very important thing and for this reason the front end of web site is not already finished. I will be busy with BTA for some days. Today one new user from Indonesia is registered. I am very happy for this.

I ask you if you know this name: Juli Fajar Susanto, "local organizer".

Best regards,
Giuliano Gualeni

<p>Dear Jason,</p> <p>It is good. I hope your success! I will promise to do my very best to support the event for you, for the city and for our sport.</p> <p>Sincerely yours, Hiro</p>	
<p>Dear Hiro</p> <p>I have just book the ticket to Weng An on 21th. I will talk about all event details with the government, and do my best to make the event best. If you could finish the Bamboo section, I will show the section design to the chief officer. I will bring Note Book so could keep contact. Thanks a lot for your great support.</p> <p>Best Regards Jason</p>	
<p>Dear BIU Presidium members,</p> <p>we have many serious things to talk about recetly. This email is only about the questions about WBC 2013 Round 1 in Igalada. I summarized the questions in my email of 10th November. I received no other questions about it. I send the current situation description in attachment.</p> <p>I will try to make it simple. Please vote about next 3 questions. This is only the first step! I will wait for your answers and then we will see what will be the next step. Thank you very much for collaboration! These questions are already explained in attachment. Please answer the questions only YES or NO.</p> <p>Question no.1: Do you agree that WBC 2013 Round 1 Igalada organizer will organize the event in only 1 day format (only Saturday 20.7.2013)?</p> <p>Question no.2: Do you agree that WBC 2013 Round 1</p>	

<p>Igualada organizer will make the event on manmade sections only?</p> <p>Question no.3: Do you agree that WBC 2013 Round 1 will be organized in Igualada on the weekend 19-21st July 2013?</p> <p>Thank you very much for collaboration again!</p> <p>yours Lukas</p>	
<p>HIRO'S COMMENT:</p> <p>Question 1: No. Question 2: the manmade sections with natural element in the minimum 80% is okay. Question 3: 26-27/July/2013 is the best. Or if Czech can be held on 27-28/July/2013, it is okay.</p>	
<p>Dear Presidium Members,</p> <p>after recently discussion about Igualada, after I heard many Riders I vote about Igualada question: Question no. 1: YES, Giuliano (PLEASE CONTACT ORGANIZER ABOUT THIS POINT: IN LAST EMAIL THEY WRITE "1 DAY OPEN CEREMONY + 1 DAY COMPETITION"). I THINK THIS SOLUTION IS BETTER. Question no. 2: YES, Giuliano. Question no. 3: YES, Giuliano.</p> <p>Best regards, Giuliano Gualeni</p>	
<p>Dear Presidium Member,</p> <p>WBC 2013 agreement must be sent from our Legal site and payment of fee must be sent to BIU bank count. Our Treasures Mr. Lubomir Janoska can send to all Delegate organizer the Bank number for payment. This is a very unpleasant situation.</p> <p>Best regards, Giuliano Gualeni</p>	
<p>Dear Hiro,</p> <p>sorry for late reply. I was not able to answer quickly for so surprising act you did with the agreement.</p> <p>What's wrong with BIU agreement with WBC organizers? I don't know. You didn't show it to BIU Presidium members. I was asking about this early enough to avoid any problems. You didn't answer my request of showing us the agreement and you have sent it to Jason.</p>	

I must remind one very important fact:

BIU is international organization founded and based in Prague. It has been registered on July 2nd 1992 with official address at Opletalova 21, Praha 1, Czech republic. Identification number of the organization is 45768501.

Can you please show Presidium the agreement you have sent to China? Does this agreement contain your private address and your private account number? According to the rules, WBC organizer should pay a fee to BIU. What is the fee? Who decided about the fee for 2013? Im sorry for asking about this. I tried to avoid this embarrassing situation.

I wish we could avoid any legal troubles that may happen if BIU official documents are not correct. If something goes wrong, the financial police or any other officials will probably knock on Presidium members' door.

BIU statute says that BIU Presidium has all the authority that is not exclusively reserved to the General Assembly and the Presidium also represents BIU in all litigations, whether on the defendant side or plaintiff side. That is not public law. It is our own BIU law written in our own statute. We must respect our own rules.

I don't want anybody to put me and also you in trouble.

This is a communication between Presidium members (In this case Im sending a copy to Jason, because he is going to receive the "agreement" Im talking about). I think we don't need to see your answer in BIU news. BIU regular members probably should not see that one member of the Presidium is not collaborating with another 4 members.

Thank you for understanding my point of view.

I believe Im not the only Presidium member who wants to work in legally correct way.

Yours
Lukas

HIRO'S COMMENT:

Lukas, you should know that finishing agreement with China was urgent matter and we had to forward on time. Instead of it we will loose one round.

We have started 2013 presidium from 2012 without enough preparation. Sure this makes confuse. In the

meeting in Sonico, I asked about budget thing (increase sanctioning fee of WBC) in front of everybody there and I was waited for decision about the fee for 2013. I think this discussion was promised with Giuliano. But the budget thing was never discussed. What I can do is no change the fee in the agreement. That is all. I do not change any part of it. Sorry but I do not remember about your request asked me to send the agreement of WBC.
Could you tell me the rules of treasurer?

This is not BIU news, I wrote it before. This is my mail to communicate with some people who need the WBC calendar information for the next year. I just put my comment. But not for answer. How come you wrote I am not collaborating with the other 4 members? Why I cannot write my comments or opinions in my letter? If you do not need this information, I just stop sending you. Is it okay?

Sincerely yours,
Hiro
