

To delegates & presidium

ABOUT WBC

WBC official event calendar is not set for 2013 yet.

There was a communication problem with the delegates of the countries proposed to host WBC in 2013 until mid of January. This caused of delay of forwarding agreement thing But it was solved. Up to now only Czech round was confirmed. The rest 2 events, there must be different reasons in each of them. I was not explained the details clearly but I know they are trying their best to make it and I have nothing to say about it. To finish event calendar, I set the deadline already and our event calendar will be set automatically after the deadline.

Before we set the official calendar, people should not book any flight or hotels. It is normal. The information of event details will be sent from the host country of WBC following the schedule and this time I am already asking to host countries to send it before 19/March, 4 months before the WBC R1. This is 1 month earlier than last year. People should wait for this information.

Sincerely yours,
Hiro
