Dear Pere,

I create this list the past year, before WBC 2012 in Sonico.

This is the more actual Delegate List in BIU.

I can help you to understand this file. But is not ... older ...

When you see "error" mean that the email is not ok.

When you see "receive" mean that the system give you "send ok". But

Delegate don't will answer to you.

When you see ok mean that the Delegate answer to you.

I have A LOT OF THINGS TO SAY ABOUT THIS JOB !!!!!!!!!!!!!

But, sorry, I don't have other solution ....

OK ?

Giuliano

**Some delegates did not inform their new e-mail address or address to me when they have changed or moved. It should be taken they have no interest to the post any more. They have to find the anther people if they have the responsibility.**

**Sending information by e-mail is not enough. The organizer should send necessary event information as the kit by the envelope via post. That is important.**

**I am waiting for the information arrive from the host countries.**
