

BIU NEWS 2013 MARCH

ELITE 2013

According to Radim (thanks Radim) and his report below, finally 6 riders in the top 6 of the scratch 2012 will be promoted to Elite 2013. I think we need demotion list from Elite. It is so delay to issue the Elite list and their bib numbers for this year. Normally it should be on the "WBC program" together with the calendar and details of entry before start sending event information from the host countries. I hope the WBC program will be notified as soon as possible.
