#### ENTRY:

I received the entry list from Denmark.

Hello Mr. Hiro

**Here you have entry form from the Danish rider.**

**As delegate and team manager, Ole Kristensen will only be attending in Spain.**

**Thanks**

**Nanna**

**Med venlig hilsen/Best regards**

**Trialaction**

**Ole Kristensen**

**Thanks a lot to Ole and Nanna!.**

**Ben's bib No.:**

**Giuliano made start the voting and Ben's bib No. will be determined soon.**

**The reason that I asked vote decision is, normal way, he will be No. 14 in Elite. But after we have already decided all Elite bib No., it should be better to put him at the last in the list of Elite (bib No. will be 20) to avoid confusion. For this, need the agreement of the presidium.**

**Dear Giuliano,**

**It is the time to make medals and jersey for WBC 2013.**

**Please make order for medals (top 3 in each category) and champion jersey (only the champion in each category except Scratch, Nation and Constructor).**

**Please contact to Rafa (Biketrial Spain), same as Josep, it is very difficult to communicate for me.**

**And then I will pay the cost in Czech.**

**Sincerely yours,**

**Hiro**

**Dear Giuliano and friends,**

**I say YES.**

**I say yes for accepting Ben and giving him start no. 20.**

**Yours**

**Lukas**

**PS: This year we must set clear rule for cases like this. As Hiro proposed, we will have to set the deadline and procedure for Elite riders asking for keeping them in Elite class.**

**Dear Lukas,**

**thank you for the vote.**

**Giuliano**

**Dear Hiro,**

**Lukas Burianek send me answer about Ben Savage,**

**Please, express your vote.**

**Thank you very much,**

**Giuliano**

**Dear Giuliano,**

I explained the reason of giving the number 20 to Ben by exception .  
Then of course "YES" but better to see the other members' decision  
if they are corporative or not for this matter.

Sincerely yours,

Hiro

In the case if they do not want to help, Giuliano will try to make it in Italy for the solution. Thanks Giuliano.
