Number: 3
Concerning: **Factory Teams**
Date: **03. 05. 2006**

Addressed to:

- B.I.U., E.B.U. delegates
- Contact persons in countries where there is no official national delegate
- Producers of BikeTrial bikes and accessories

In response to the acceptance by the First World BikeTrial Congress which was held in Slavkov u Brna, Czech Republic on November 18 - 20, 2005 and the decision of E.B.U. Committee at the meeting which was held in London, United Kingdom on January 20th – 21, 2006, a new category was established for the European Championships 2006 for manufacturers of BikeTrial bikes and producers of accessories called – **Factory Teams**.

I. Constitution of a team

- A Team is composed of 4 riders.
- At least one team member must participate on both days of the event (Saturday and Sunday)
- The number of riders in each category is not limited (for example – 3 from category Benjamin (*Saturday*) and 1 from category Master (*Sunday*), etc.)
- A team can be made up of riders from different nationalities
- A rider can be a member of only one team

II. Names of a team

- The name of the team is composed of the name of the manufacturer *and* an additional word (for example: *SuperBikes – Danube*)
- In case there is the same name for two (2) teams, a number will be added to the name by the organizer according to the incoming applications

Note: In the document recording the result's of European Championship events all bike brands are noted; the term "Constructor" is not used in European Championships

III. Results

- The factory teams points will be the same as those awarded to their *four* riders in accordance with B.I.U. rules.
- In the case that two teams have the same score, B.I.U. rules will be applied.

IV. Applications

- Applications may be sent in advance to the organizers. In addition it is possible that the team may submit applications to the organizers of the event by the time of license control on Friday before the first JURY meeting
- The team captain has to submit the application with a written authorization from the bike or accessories manufacturer
- Form may be downloaded on www.eurobiketrial.com

V. Starting fee

- Every team will pay to the organizer the starting fee by the time of license control on Friday before the event
- Fee is 100 €
