III. International Observers for the European BikeTrial Championship – extract from EBU Observer Guidelines

Art.01 REPRESENTED COUNTRIES

1.1 The European BikeTrial Championship will aim to have a representation of qualified, International Observers participating at the competition. All other Observers should be provided by the host country.

1.2 Each E.B.U. delegate who has riders competing in the European BikeTrial Championship will be invited to provide at least one International Observer for both days of the competition. Every International Observer must have an International Observers License issued by the E.B.U.

1.3 The organizer of the European BikeTrial Championship will arrange a meeting for all Observers before the start of both the Saturday and Sunday competitions. This meeting will be to give the 'Observers' Promise' and the necessary instructions to each of the Observers.

1.4 The organizer will supply clear identification (e.g. a color coded T-shirt or arm band) to each of the observers so that the riders and spectators can easily identify them. The International Observer will be in overall control of their section will also wear their International Observers License. The organizer will supply the time keeper and punch card scorer.

1.5 The event organizer will supply all of the clocks, punches and yellow and red warning cards to be used by the Observers on each section.

1.6 The organizer will be allowed to choose what conditions and benefits he wishes to give to the Observers .

Art.02 QUALIFIED OBSERVERS AND LICENCES

2.1 It is recommended that an Observer should have at least two (2) years experience of observing at national level in their own countries and should be familiar with the BikeTrial International Union (B.I.U) rules as explained in the International Technical Rules (I.T.R). The national delegate of each country will confirm that their International Observers meet the required standards and will sign their application forms accordingly.

2.2 A qualified observer must be over 18 years of age.

2.3 Each qualified observer must be able to give instructions in English whilst they are observing in the competition (e.g. giving the time, penalty points, orders and instructions to the rider).
